Timmy Abell

Timmy is one of the Southeast's most sought after concert performers for children and families. He is best known for his uncommonly clever and thoughtful original songs and for a genuine, intimate performance style which leaves audiences of all ages begging for more!

**...Exceptional!
Spellbinding!
Extraordinary!...**

are words used by his audiences to describe Timmy Abell's engaging performances. His concerts feature a rare variety of stories, poetry, jokes, educational anecdotes and music performed on seven musical instruments (including hammered dulcimer, English concertina, penny whistle, bowed psaltery, lap dulcimer, guitar and banjo).
